Senior Citizens are already feeling this when dealing with SS, benefits.

Identity theft is becoming rampant. Due to "Covid" so much business is being done online that identity theft has become a huge problem and these people see it as reparations and a way to protest.

Please review your own policies and credit card/bills. Especially keep an eye on elderly people. Be careful about your information and who has access.👍🙏🙏🙏

Maryland, New Jersey, and other states, are drastically altering their educational model for the upcoming school year and on. They not only want in-person heavily controlled School. They want online "educational packages".

They want their cake and eat it too. They not only want to keep their salaries, their Union, and their perks, now they want to farm out the education itself to third parties. So they can make more money for even less work.

They know they can't beat President Trump. They want control of both houses. If they get it, it will be impeachment day one.
